The bricks that are purchased during this brick sale will be permanently placed at North Branch Park around the Veteran's Monument.

Bricks will be ordered in increments of 50 or 100 and then be installed at the same time around specific days like Memorial Day and Veteran's Day. A dedication ceremony will be held when the bricks are placed and those in that grouping will be contacted.

The funds raised from the brick sale will help fund "Veteran's Park".

The bricks that will be placed at Veteran's Park are going to be purchased using the funds raised throughout the fundraising programs. It was the Veteran's Committee's idea to research all Veteran's that are from the area and engrave their names on bricks that will be placed at Veteran's Park.
