The Zoning Hearing Board functions are as follows:

To hear and decide appeals from a decision or determination of any administrative official in the enforcement of the Zoning Ordinance and its amendments. Such appeals must be made within 30 days after the date of the decision.

To hear and decide Special Exceptions to the terms of the Zoning Ordinance and its amendments as specifically set forth and permitted by the ordinance(s).

To authorize, upon application/appeal, in specific cases, such variance from the terms of the Zoning Ordinance and its amendments, as will not be contrary to the public interest where, owing to special conditions, a literal enforcement of the Zoning Ordinance will result in unnecessary hardship and so that the spirit of the Ordinance will be observed and substantial justice done. The burden of proof of the "unnecessary hardship" as defined by the courts shall rest on the applicant. The circumstances must be unique and applicable to the applicant's particular property and no other. The possibility of the applicant's earning a greater financial return if a variance were granted does not in itself constitute sufficient reason for such a variance.

Instructions:

- (1) For 2(A) or (B), one (1) copy of the plan (if size 8 1/2" x 11") or eight (8) copies (if larger than size 8 1/2" x 11") must be attached to the appeal. The plan should be prepared by a professional engineer or surveyor, but the Board will accept any plan which is complete and accurate, provided that if not prepared by a professional engineer or surveyor, the person who prepared the plan must be prepared to state under oath at the formal hearing that the plan is complete and accurate. The plan must contain all information relevant to the appeal, including but not limited to, the following: the property related to a street, the dimensions and area of the lot, the dimensions and location of existing buildings or improvements, the dimensions and locations of proposed uses, buildings or improvements.
- (2) An application fee must accompany this Application/Appeal and is not returnable once it is accepted.

Residential Application Fee Request for	\$800.00
Continuance Fee	\$200.00*
Non-residential Application Fee Request for Continuance Fee	\$1,200.00 \$200.00*

^{*}A fee of \$200.00 is required for each applicant requested postponement or continuance

- (3) Submit copy of deed with application.
- (4) This application must be filed with the Township Office by the 3rd Friday of the month to be on the agenda for the following month.
- (5) Applicant must be present at hearing otherwise the petition will be dismissed unless postponed by the Zoning Hearing Board upon cause shown or upon their motion.
- (6) All meetings of the Zoning Hearing Board shall be open to the public.
- (7) No decision by the Zoning Hearing Board shall relieve any applicant from the responsibility of obtaining any required permits in the manner prescribed by the Zoning Ordinance.
- (8) Once the application is approved by the Zoning Hearing Board, the time limit for the commencement of improvements is one year.

The burden of proof of the "unnecessary hardship" as defined by the courts shall rest on the applicant. The circumstances must be unique and applicable to the applicant's particular property and no other. The possibility of the applicant's earning a greater financial return if a variance were granted does not in itself constitute sufficient reason for such a variance.

Instructions:

- (1) For 2(A) or (B), one (1) copy of the plan (if size 8 1/2" x 11") or eight (8) copies (if larger than size 3 1/2" x 11") must be attached to the appeal. The plan should be prepared by a professional engineer or surveyor, but the Board will accept any plan which is complete and accurate, provided that if not prepared by a professional engineer or surveyor, the person who prepared the plan must be prepared to state under oath at the formal hearing that the plan is complete and accurate. The plan must contain all information relevant to the appeal, including but not limited to, the following: the property related to a street, the dimensions and area of the lot, the dimensions and location of existing buildings or improvements, the dimensions and locations of proposed uses, buildings or improvements.
- (2) An application fee must accompany this Application/Appeal and is not returnable once it is accepted.

Residential Application Fee Request for	\$800.00
Continuance Fee	\$200.00*
Non-residential Application Fee Request for Continuance Fee	\$1,200.00 \$200.00°

^{*}A fee of \$200.00 is required for each applicant requested postponement or continuance

- (3) Submit copy of deed with application.
- (4) This application must be filed with the Township Office by the 3rd Friday of the month to be on the agenda for the following month.
- (5) Applicant must be present at hearing otherwise the petition will be dismissed unless postponed by the Zoning Hearing Board upon cause shown or upon their motion.
- (6) All meetings of the Zoning Hearing Board shall be open to the public.
- (7) No decision by the Zoning Hearing Board shall relieve any applicant from the responsibility of obtaining any required permits in the manner prescribed by the Zoning Ordinance.
- (8) Once the application is approved by the Zoning Hearing Board, the time limit for the commencement of improvements is one year.

New Britain Township Zoning and Subdivision/Land Development Ordinance

Amendments

As our office has been authorized to prepare DRAFT Zoning Ordinance (ZO) and Subdivision and Land Development Ordinance (SALDO) amendments, to facilitate these potential amendments and for ease of discussion, our office has divided the proposed amendments into the following four categories:

- 1. Natural Resources, Buffer Plantings, Specimen Trees, (ZO and SALDO Amendments)
- 2. Parking and Traffic Amendments (ZO and SALDO Amendments)
- 3. Miscellaneous ZO Amendments
- 4. Miscellaneous SALDO Amendments

Please find attached Amendment #1, scheduled to be presented to the Board of Supervisors on December 4, 2023. The other three (3) amendments will be presented individually to the Township Staff and Board of Supervisors at subsequent dates in early 2024.

Once any comments are resolved to the Board of Supervisors satisfaction, we anticipate combining all changes into two Ordinance Amendments, one for Zoning and one for SALDO. Both ordinances will need to be advertised and adopted at the same time since there are several requirements being removed from Zoning and added to SALDO.

ZONING AND SALDO AMENDMENTS

October 24, 2023

Zoning Amendment - Woodlands, Specimen Trees, Buffer Yards

Text – To be added Text – To be removed

§27-201

SPECIMEN TREE A unique, rare, or otherwise specifically selected tree considered worthy of conservation by New Britain Township because of its species, size, age, shape, form, historical importance, or any other significant characteristic, including listing as a species of special concern by the Commonwealth of Pennsylvania.

§27-2400.f. Woodlands. In areas of woodlands, the following standards shall apply:

- 1. No more than 20% of woodlands located upon a lot or site shall be altered, regraded, cleared, or built upon in the CR, WS, SR-1, SR-2, and RR Districts.
- In all other zoning districts, no more than 50% of woodlands located upon a lot or site may be altered, regraded, cleared, or built upon, provided the following requirements are met:
 - (a) Where more than 20% of the woodlands are being disturbed, all disturbed woodlands exceeding this 20% limit shall be replaced on an acre-for-acre basis through the planting of replacement trees. The actual number of replacement trees shall be calculated by multiplying the acreage of disturbance exceeding 20% by 200 trees per acre. All replacement trees shall have a minimum tree caliper of 3 1/2 inches DBH.
 - (b) The planting of replacement trees shall be done in accordance with a woodlands management plan prepared by a licensed forester.
 - (c) The planting of replacement trees shall occur on site, or on a property within New Britain Township designated and approved by the Board of Supervisors, unless the owner/developer offers a fee in lieu of the required replacement, such fee being approved by the Board of Supervisors, in its sole discretion.
 - (d) Any trees that are dead, dying, or diseased, and may be a safety hazard or may result in damage to any structure, may be removed or dropped in place with written permission from the Township.

Add §27-2400.j Individual Trees. In order to maintain the supply of natural vegetation, prevent erosion of the topsoil on the side and surrounding properties, foster the retention of groundwater supply and generally attempt to maintain the ecological balance in the township, the following requirements shall be met:

 Any specimen tree having a diameter of thirty (30) inches or more, measured at twelve (12) inches above natural grade line, shall not be removed, whether located within a woodland area or standalone without approval of the Township. Commented [JM1]: Move to SALDO

Commented [JM2]: Zoning, SALDO, or both?

October 24, 2023

The planting of replacement trees shall occur on site on an equivalent caliper inch basis unless the owner/developer offers a fee in lieu of the required replacement trees, such fee being approved by the Board of Supervisors, in its sole discretion. Such fee shall be contributed to the Township's tree fund in lieu of plantings at a rate established by the Board of Supervisors of New Britain Township by resolution.

SALDO Amendments - Specimen Trees, Landscaping and Plant List

§22-202 Definitions

INVASIVE PLANTS Those species that are not native to the state, grow aggressively, and spread and displace native vegetation as noted on the DCNR Invasive Plant List that may be updated from time to time.

SPECIMEN TREE Any tree with a caliper that is 75% or more of the record tree of the same species in the commonwealth. A unique, rare, or otherwise specifically selected tree considered worthy of conservation by New Britain Township because of its species, size, age, shape, form, historical importance, or any other significant characteristic, including listing as a species of special concern by the Commonwealth of Pennsylvania.

TREE PROTECTION ZONE (TPZ) An area that is radial to the trunk of a tree in which no construction activity shall occur. The tree protection zone shall be 15 feet from the trunk of the tree to be retained, or the distance from the trunk to the dripline, whichever is greater. Where there is a group of trees or woodlands, the tree protection zone shall be the aggregate of the protection zones for the individual trees.

§22-502.1.G.3 The planting of replacement trees or woodlands restoration shall be done in accordance with a woodlands management plan prepared by a licensed forester as may be required by the Board of Supervisors based on the nature of the trees removed and nature of proposed trees.

§22-713.

- 2. Preservation and Protection and Existing Vegetation.
 - A. All subdivisions and/or land developments shall be laid out in such a manner as to minimize the removal of healthy trees and shrubs on the site. If required by the Township, the applicant shall produce evidence from a qualified professional that no alternative layouts are possible that would reduce the loss of individual trees, vegetated areas and woodlands.
 - B. Protection of Existing Vegetation. Each individual tree, vegetated area and woodlands designated "TO REMAIN" shall be made part of the Tree Protection Zone as required in the Township Zoning Ordinance [Chapter 27] and shall be protected in the field prior to any clearing or earthmoving activities in accordance with the following:
 - (1) A four-foot high, orange construction fence shall be erected a minimum of one foot outside the dripline on all sides of individual trees and woodlands and along the entire perimeter of vegetated areas to remain.
 - (2) The tree protection fence shall be placed to prevent disturbance to or compaction of soil inside the area to remain until construction is complete.
 - (3) The limits of clearing and location of tree protection fence shall be shown on the landscape plan.

Commented [JM7]: Preliminary Plan requirements for Landscape Plans

October 24, 2023

- (4) The site plan shall contain a plan notation stating the Township Engineer shall inspect and approve the tree protection fence installation prior to any clearing or earthmoving activities.
- (5) The site plan shall contain plan notations stating that, in the opinion of the Township Engineer's representative or certified arborist, any trees disturbed, damaged or killed during or as a result of construction shall be replaced at a one caliper inch for one caliper inch.
- C. Alteration of existing drainage patterns and water supply for the protected trees and vegetation shall be minimized.
- D. If an applicant encroaches into a designated tree protection zone resulting in the damage or destruction of existing trees and/or vegetation designated to remain, the applicant shall be responsible for replacing the damaged or destroyed vegetation on an equivalent caliper basis. The caliper of all the trees damaged or destroyed shall be added together, and the applicant shall be required to plant new trees, with a minimum caliper of three inches, whose cumulative caliper equals or exceeds that of the damaged or destroyed trees. The replacement trees shall be selected from the Township's List of Required Plant Material listed in the Appendix and shall be planted not less than 20 feet on center. In addition, the applicant shall be required to replace any damaged or destroyed shrubs or ground cover, with plant material of equivalent type, size and shape. Any new replacement trees or plant material shall be guaranteed for one year or until the end of the eighteen-month maintenance period for the project, whichever is greater.
- E. Any specimen tree having a diameter of thirty (30) inches or more, measured at twelve (12) inches above natural grade line, shall not be removed, whether located within a woodland area or standalone without approval of the Township. If a specimen tree is approved to be removed, the following requirements shall be met:
 - (1) Individual, mature non-invasive trees 30 inches or more DBH shall be designated on a plan, and the total number of tree caliper inches to be removed shall be calculated.
 - (2) Invasive, diseased, dead, dying, or hazardous trees may be identified as such by a certified arborist based on a field visit and shall be subject to the replacement tree requirements at the discretion of the Township.
 - (3) The planting of replacement trees shall occur on site on an equivalent caliper inch basis unless the owner/developer offers a fee in lieu of the required replacement trees, such fee being approved by the Board of Supervisors, in its sole discretion. Such fee shall be contributed to the Township's tree fund in lieu of plantings at a rate established by the Board of Supervisors of New Britain Township by resolution.
 - (4) Replacement trees shall be selected from the Required Plant Material List in Appendix D and installed at the minimum planting sizes noted therein.
- §22-713.4.A. Street Trees. Street trees shall be planted every 30 feet along all proposed streets and existing streets when they abut or lie within the proposed subdivision and/or land development. Existing trees may be utilized to meet the street tree requirements as approved by the Township Engineer.

- §22-713.4.B. Street trees shall be planted between three and five and ten feet outside the ultimate right-of-way line unless otherwise specified in this Chapter, and as an alternative, the same quantity of trees may be planted in an informal arrangement along the perimeter of the street, when approved by the Board.
- §22-713.5.B.(2) Trash Collection Areas and Mechanical Units. A minimum six-foot weeden shadow-box opaque fence, or approved equal, on at least three sides, with a staggered row of evergreen trees planted every 10 feet along the fence perimeter.
- §22-713.5.B.(8) Easements. The boundary of a pedestrian or vehicular access easement, when located on, or adjacent to, a let private property, shall have a method of physical delineation on both sides consisting of six-foot arborvitae trees, planted nine feet on center, with four-foothigh split-rail fence, or other type of delineation as approved by the Board of Supervisors.
- Add §22-713.5.B.(9) The boundary of a vehicular access easement, such as emergency access easements, when located on, or adjacent to a private property, shall have a method of physical delineation on both sides consisting of six-foot arborvitae trees, planted nine feet on center, with four-foot-high split-rail fence, or other type of delineation as approved by the Fire Marshall.
- Add §22-713.5.B.(10) Proposed and existing conservation easements shall be physically delineated in the field by an evergreen tree at every change in boundary where existing trees do not currently exist. A two-rail split rail tapered fence corner may be substituted at the discretion of the Board of Supervisors.
- §22-713.6.A. General Requirements. The location, dimensions and spacing of required plantings should be adequate for their proper growth and maintenance, taking into account the sizes of such plantings at maturity and their present and future environmental requirements, such as wind, soil, moisture and sunlight. Plantings should be selected and located where they will not contribute to conditions hazardous to public safety and trees shall be a minimum of 10 feet from all existing and proposed underground and overhead utilities.

A. STREET TREES—Suitable for street trees, parking areas and site element buffers and screens. Minimum caliper size shall be 3—3 ½ inches.

Scientific Name	Common Name
Acer rubrum	Red Maple
Celtis sp. occidentalis	Hackberry
Corylus colurna	Turkish Filbert
Ginkgo biloba	Ginkgo (male only)
Koelreuteria paniculate	Golden Rain Tree
Liquidambar styraciflua (seedless variety)	Sweetgum
Platanus occidentalis	Sycamore
Quercus bicolor	Swamp White Oak
Quercus imbricaria	Shingle Oak
Quercus phellos	Willow Oak
Quercus prinus	Chestnut Oak
Quercus rubra (borealis) ^{1,3}	Red Oak
Sophora japonica	Japanese Pagodatree
Tilia americana	American Linden
Tilia cordata	Little Leaf Linden
Tilia tomentosa	Silver Linden
Ulmus americana (disease resistant variety)	American Elm
Zelkova serrata	Japanese Zelkova

B. SHADE TREES—Suitable for site element buffers and screens, and for non-vehicular use areas only. Minimum caliper size shall be 3—3½-inches.

Scientific Name	Common Name
Acer saccharum	Sugar Maple
Aesculus octandra	Yellow (Sweet) Buckeye
Betula lenta	Sweet Birch
Betula nigra	River Birch
Carya ovata	Shagbark Hickory
Fagus grandifolia	American Beech
Fagus sylvatica	European Beech
Fraxinus americana	White Ash
Liriodendron tulipifera	Tulip_tTree
Prunus serotina	Black Cherry
Ostrya virginiana	American Hop-Hornbeam

October 24, 2023

Phellodendron amurense	Amur Cork Tree
Quercus alba	White Oak
Quercus Coccinea	Scarlet Oak
Quercus palustris ²	Pin Oak
Quercus vellutina	Black Oak

¹Quercus rubra is limited 10% of the total street tree and/or shade tree requirements (Ord. 2010-03-01)

C. ORNAMENTAL TREES—Suitable for site element buffers and screens. Trees shall have minimum height of eight feet and minimum caliper size of 1 ½ to 2 inches.

Scientific Name	Common Name
Aesculus octandra	Yellow (Sweet) Buckeye
Amelanchier canadensis	Serviceberry
Betula nigra	Riverbirch
Carpinus caroliniana	American Hornbeam
Cercis canadensis	<u>Eastern</u> Redbud

Crataegus mollis	Downy Hawthorn
Crataegus oxycantha	English Hawthorn
Crataegus phaenopyrum	Washington Hawthorn
Halesia carolinia	Carolina Silverbells
Koelreuteria paniculate	Golden Raintree
Magnolia virginiana	Sweetbay Magnolia
Malus sp. (native, disease-resistant variety)	Crab Apple Species
Oxydendrum arboreum	Sourwood
Prunus sargentii	Sargent Cherry
Prunus serrulata cv. Kwanzan	Kwanzan CherryPyrus calleryana cv.
Bradford	Callery Pear
Sassafras albidum	Sassafras
Sorbus aucuparia	European Mountain Ash
Styrax japonica	Japanese Snowbell
Syringa amurensis japonica	Japanese Tree Lila

D. EVERGREEN TREES—Suitable for site element buffers and screens.- Minimum planting height is shall be six-6 feet.

Scientific Name	Common Name
Abies concolor	White Fir
Chamaecyparis thyoides	Atlantic White Cedar
llex opaca	American Holly

²Quercus palustris is limited 10% of the total street tree and/or shade tree requirement (Ord. 2010-03-01)

³All <u>red oak varieties should be spaced</u> no closer than 60 feet on center <u>to prevent</u> spread of disease through root grafting.

October 24, 2023

Juniperus virginiana	Eastern Red cedar
Picea abies	Norway Spruce
Picea omorika	Siberian Spruce
Picea pungens	Colorado Spruce
Pinus strobus	White Pine
Punus thunbergii	Japanese Black Pine
Tsuga canadonsis	Canadian H emlock
Tsuga caroliniana	Carolina Hemlock

E. DECIDUOUS OR EVERGREEN SHRUBS—Suitable for site element buffers and screens. Minimum planting height or spread shall be 30 inches.

Scientific Name	Common Name
Aronia arbutifolia	Black Chokeberry
Azalea evergreen species	-Azalea
Calycanthus floridus	Sweet Shrub
Chamaecyparis obtuse	Chamaecyparis
Chamaecyparis pisifera	Chamaecyparis
Clethra acuminata alnifolia	Summersweet
Cornus seric <u>e</u> a	Redtwig Osier Dogwood
Cornus amomum	Silky Dogwood
Cornus racemosa	Gray Dogwood
Enkianthus Campanulatus	Redvien Enkianthus
Euonymoous alatus	Burning Bush
Forsythia sp.	Forsythia
Fothergilla gardenii	Dwarf Fothergilla
Fothergilla major	Large Fothergilla
Hamamelis vernalis	_Vernal <u>Witch Hazel</u>
Hamamelis virginiana	Common Witch Hazel
Hydrangea arborescens	Smooth Hydrangea
Hydrangea quercifolia	Oakleaf Hydrangea
llex crenata	Japanese Holly
Ilex glabra cornpasta	Inkberry Holly
Ilex verticillata	Winterberry Holly
llex meserveae	Blue Holly Series
Itea virginica	Virginia Sweetspire
Upright Juniper species	Various Junipers
Kalmia latifolia and cvs	Mountain Laurel
Leucothoe Fontanes	Leucothoe
Lindera benzoin	Spicebush
Myrica pennsylvanica	Northern Bayberry
Philadelphus spp.	Mock Orange
Physocarpus opulifolius	Common Ninebark
Pieris floribunda	Mountain Andromeda
Pieris japonica	Japanese Andromeda
Rhododendron sp.	Various Rhododendrons
Rhododendron arborescens	Sweet (Smooth) Azalea
Rhododendron periclymenoides	Pinxterbloom Azalea
Rhododendron maximum	Rosebay Rhododendron
Rhus aromatica	Fragrant Sumac

October 24, 2023

Sambucus canadensis	Elderberry
Spirea nipponica	Snow Mount Spirea
Taxus sp.	Various Yew
Thuja sp.	Arborvitae
Viburnum sp.	Large Viburnums

Resolution No. 2023-28 New Britain Township Bucks County, Pennsylvania

Resolution of the Board of Supervisors Establishing Fund Balance Policies as Required by GASB 54

At a Regular Meeting of the New Britain Township Board of Supervisors held on December 4, 2023, the Board adopts the following resolution:

WHEREAS, New Britain Township wishes to comply with GASB 54 as required beginning with the current December 31, 2023 – December 31, 2024 calendar year;

NOW, THEREFORE, BE IT RESOLVED, that New Britain Township hereby adopts the following policy:

FUND BALANCE POLICY

A. Fund Balance Policy

The Township hereby establishes and will maintain reservations of Fund Balance, as defined herein, in accordance with Governmental Accounting and Financial Standards Board Statement No. 54, Fund Balance Reporting and Governmental Fund Type Definitions. This Policy shall only apply to the Township's governmental funds. Fund Balance shall be composed of non-spendable, restricted, committed, assigned and unassigned amounts.

B. Definitions

Non-spendable Fund Balances are those amounts that cannot be spent because they are not in spendable form or they are legally or contractually required to be kept intact. Examples of "not in spendable form" include inventory and prepaid assets.

Restricted Fund Balances are amounts restricted for a specific purpose by external parties, constitutional provisions or enabling legislation.

Committed Fund Balances are amounts that are set aside for a specific purpose by the township's highest level of decision-making authority. Formal action must be taken prior to the end of the calendar year. The same formal action must be taken to remove or change the limitations placed on the funds.

Assigned Fund Balances are those amounts that are constrained by the Township's intent to be used for specific purposes, but are neither restricted nor committed.

Unassigned Fund Balance is the residual classification for the Township's general fund and includes all spendable amounts not contained in the other classifications. In other funds, the unassigned classification should be used only to report a deficit balance from overspending for specific purposes for which amounts had been restricted, committed, or assigned.

C. Classification of Fund Balances

When expenditures are incurred for purposes for which both restricted and unrestricted fund balance is available, restricted fund balance is considered to have been spent first.

When expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications can be used, committed amounts should be reduced first, followed by assigned amounts and then unassigned amounts.

D. Authority to Commit Funds

The Township's Board of Supervisors has the authority to set aside funds for a specific purpose. Any funds set aside as Committed Fund Balance requires the passage of a resolution by the Board of Supervisors. The passage of a resolution must take place prior to December 31st of the applicable calendar year. If the actual amount of the commitment is not available by December 31st, the resolution must state the process or formula necessary to calculate the actual amount as soon as information is available.

E. Authority to Assign Funds

Authority is given to the Township's Manager to assign funds for specific purposes. Any funds set aside as Assigned Fund Balance must be reported to the Township's Board of Supervisors at their next regular meeting. The Township's Board of Supervisors has the authority to remove or change the assignment of funds with a majority vote.

F. Minimum Level of Unassigned Fund Balance

The Township does not currently have a formal minimum fund balance policy.

G. Annual Review and Determination of Fund Balance Reserve Amounts

Compliance with the provisions of this policy shall be reviewed, presented and discussed as part of the year-end financial reporting process of the Township, and the amounts of non-spendable, restricted, committed, assigned, and unassigned fund balances shall be reported.

The above Resolution is adopted this 4th day of December 2023.

Adopted: December 4, 2023

A RESOLUTION OF THE BOARD OF SUPERVISORS OF NEW BRITAIN TOWNSHIP CREATING A FIRST RESPONDER RECRUITMENT AND RETENTION STIPEND FOR ACTIVE MEMBER VOLUNTEER FIRST RESPONDERS.

Whereas, the New Britain Township Board of Supervisors wishes to create an Active Member First Responders Recruitment and Retention Program to incentivize volunteer first responders who are Township Residents; and

Whereas, Township Staff has created and developed an incentive program that allows for a lump sum distribution per "Qualified Active Member" in a local fire company or EMS squad; and

Whereas, a Qualified Active Member is a candidate that must be a resident of New Britain Township during the qualifying eligibility period of October 1st through September 30th ("Eligibility Year") and who has met criteria established by his/her fire company/EMS squad for meeting "Active Member" status during the Eligibility Year; and

Whereas, each fire company or EMS squad must provide to the Township by November 15th of each year a certified, notarized list of Qualified Active Members; and

Whereas, each company/squad must establish written qualifying criteria for achieving Active Member status and submit it to the Township by September 30th of each year, and each company/squad must determine the Qualified Active Member status of all its members to be certified and notarized by October 31st of each year; and

Whereas, the Township must approve each company's/squad's written criteria for determining Qualified Active Member status by October 31st by each year, and must accept the certified and notarized list of Qualified Active Members by November 30th of each year; and

Whereas, the Township shall issue one lump-sum check to each company/squad representing the First Responder Recruitment/Retention Stipend calculated in the amount of \$500.00 per Qualified Active Member placed by the company/squad on the list accepted by the Township, and shall issue First Responder Recruitment and Retention Stipend within the first quarter of the year following the Qualifying Year; and

Whereas, the Township shall annually pass a resolution before the end of the year, setting the terms and conditions for the First Responder Recruitment and Retention Program, as well as setting the monetary amount per Qualified Active Member;

NOW THEREFORE BE IT RESOLVED that the New Britain Township Board of Supervisors approves, by adoption of this Resolution, the Active Member First Responder Recruitment and Retention Stipend for volunteer First Responders.

THIS RESOLUTION WAS DULY ADOPTED by the Board of Supervisors of New Britain Township on the 4^{th} day of December, 2023.

Three Year Agreement Authorizing Hough Associates to Collect Residential and Commercial Recycling Data and Prepare PA DEP 904 Recycling Grant Applications for New Britain Township

New Britain Township authorizes Hough Associates to collect its recycling data for 2023, 2024 and 2025. Hough Associates will prepare and file the Bucks County recycling report, the joint DEP Recycling Performance Grant application and other services for the Township.

Hough Associates will:

- Prepare and send annual data collection forms to haulers for reporting recycling tonnage collected in New Britain Township
- Contact all haulers that did not respond to the initial data collection request.
- Compile the annual recycling data reported to the Township and to Hough Associates in both hard copy and on a computer database. Data will be retained for 4 years following filing.
- Prepare and file the annual Bucks County Recycling Survey Report due in February.
- Prepare and mail annual commercial recycling education to Township businesses.
- Analyze the benefits of a joint grant application with other members of the IMA
- Prepare and file the joint 904 Recycling Performance Grant applications with other IMA municipalities on or before DEP's filing deadlines.

New Britain Township will provide Hough Associates with annual update of the commercial entities that operated in the Township for use in data collection and the recycling education mailing.

New Britain Township agrees to pay Hough Associates a fixed price of \$5,000 per year for these services. The fixed payments are due according to the following schedule:

- \$2,500 January 31
- \$2,500 July 31

New Britain Township may take a 2% discount (\$4,900) if paid in full by January 31.

New Britain Township Board of Supervisors 207 Park Avenue Chalfont, PA 18914

Dear Supervisors:

Pursuant to my conversation with Supervisor McCabe, the Lafayette College Meyner Center is pleased to present the New Britain Township with this proposal to offer our assistance in recruiting the new Township Manager. Through our skill and experience, we can be of invaluable assistance to the Township in providing independent and unbiased, professional guidance in choosing both the procedure for your recruitments, and in the ultimate selection of the best candidate(s) available. Our services offered will include all the following:

- (1) Meeting with the Township Board of Supervisors to assist them in defining the responsibilities of the position, setting the expected salary and benefit expense, establishing the recruitment and appointment procedure, identifying the medias for publication of the advertisement, and scheduling the interview process;
- (2) Preparing and placing the position advertisement in the approved outlets and professional publications;
- (3) Reviewing with the Board the resumes received, checking references, and recommending a pre-approved number of candidates that the Township would interview;
- (4) Preparing a list of interview questions, and if the Board chooses, participating in the interviews;
- (5) Conducting preliminary investigations into candidates; and
- (6) Assisting the Board in negotiating the terms of employment with the chosen candidate.

The Meyner Center was created several years ago to aid to all levels of government. We assist municipalities in municipal service studies, operations and financial analysis, labor contract negotiation, strategic plan preparation, and executive search for management personnel. Our mission is simply to help government be efficient and productive using our experience and skills.

The staff of the Meyner Center has significant knowledge and experience in government. Director Dr. John Kincaid is a full-time professor of Government and Law at Lafayette; he is one of the world's foremost experts in the study of federalism. As the Associate Director of the Center, my primary focus is governmental affairs at the local level. Prior to coming to Lafayette this year, I worked in municipal government in northeast Pennsylvania since 2001, including serving as the

Borough Manager in Lehighton for 11 years. As I have transitioned into the Associate Director position, I have worked extensively with Dave Woglom to assure consistency and the experience with our services continue to meet the expectations of the municipalities we serve. The Meyner Center has assisted over 200 municipalities with the recruitment of their managers, police chiefs, directors, and other administrative projects. We understand the importance of an experienced and skilled executive who works closely with the elected Board and provides the leadership necessary to oversee daily business operations, communicate effectively and thoroughly with the Board, and guide the Township into the future. I have enclosed a copy of my resume and a project listing, which highlights the assistance that the Meyner Center has provided to municipalities.

The Meyner Center's services are provided at a rate of only \$110 per hour, and we will agree that our fee will not exceed \$8,500 plus mileage and travel expenses. We maintain a timesheet so our invoice will show the time according to the hours we have spent. Additionally, we recommend that the Township utilize the services of Intercounty Investigations of Harleysville, Pennsylvania to complete the background investigation. They are extremely experienced and skilled in completing a comprehensive employment, credit, personal, criminal, and driving history review of public sector management personnel. Their cost to complete this exhaustive review is \$3,100.

The focus of the Meyner Center is to provide a quality service to municipalities, and I believe that my years of local government management experience and understanding of the culture of local government, and the Center's work with municipalities provides me with the skills necessary to be of significant value to a municipality. I would be happy to meet with Board of Supervisors at any time. Thank you for the opportunity to assist New Britain Township.

Sincerely,

Nicole Beckett

RESOLUTION NO. 2023-30

A RESOLUTION OF THE BOARD OF SUPERVISORS OF NEW BRITAIN TOWNSHIP, BUCKS COUNTY, PENNSYLVANIA AUTHORIZING PAYMENT OF CERTAIN DISBURSEMENTS THAT MAY BECOME DUE AND PAYABLE PRIOR TO A BOARD OF SUPERVISORS REGULARLY SCHEDULED MEETING

WHEREAS, Article VII, Section 704 of the Commonwealth of Pennsylvania Second Class Township Code specifies that the Township Treasurer shall pay out all monies of the Township only on the direction of the Board of Supervisors;

BE IT RESOLVED by the Board of Supervisors of New Britain Township, Bucks County, Pennsylvania in lawful session fully assembled this fourth day of December, 2023 as follows:

- I. The New Britain Township Board of Supervisors delegates to the Township Treasurer the authority to pay and release disbursements which become due and payable in intervals between public meetings in such amounts as may be necessary to pay the following:
 - **A.** Salaries and wages of employees which have been established by budget
 - **B.** Federal, State and Local payroll taxes, unemployment compensation taxes and payments due for other payroll deductions
 - C. Recurring expenses for utilities and budgeted monthly/quarterly insurance premiums
 - **D.** Expenses for postage, petty cash reimbursement, and fees payable to the District Court or other courts for enforcement purposes
 - **E.** Other budgeted expenses payable so as to not incur a late fee or lose a discount
- II. The Treasurer will prepare a Report titled "Prepaid Bill List" for Board review and approval, listing all disbursements made between meetings for the types of expenses noted above. This report will be separate from the normal "Regular Bill List" presented for payment authorization at Board meetings.

ADOPTED by the Board of Supervisors of the Township of New Britain, County of Bucks, the Commonwealth of Pennsylvania, this fourth day of December, 2023.

RE: CBSD Bus Patrol Agreement

In early summer of 2023, the Central Bucks School Board approved and signed a contract with a company call Bus Patrol, that uses stop-arm camera technology to catch drivers that violate 8-way red lights of stopped school buses. CBSD has since met with area chiefs of police who unanimously supported the initiative.

To move forward CBSD needs to have an agreement in place with New Britain Township PD, who will issue the tickets based on the evidence package prepared by Bus Patrol. The attached Inter-governmental agreement has been reviewed by the Township Solicitor and provides \$25 per citation issued to the Township and the reimbursement of court costs if incurred. Since CBSD signed the agreement with Bus Patrol there has been State legislation that changed how someone can contest a stop arm violation, which will now be done through PennDOT. A letter outlining the changes is attached.

STAFF RECOMMENDATION:

Endorse the attached Inter-government agreement with CBSD.

BUS PATROL AGREEMENT

THIS AGREEMENT is entered into by and between the CENTRAL BUCKS SCHOOL DISTRICT, with its principal offices located at 20 Welden Drive, Doylestown, PA 18901, hereinafter referred to as the "District"

AND

The New Britain Township Police Department, with its principal offices located at 207, Park Avenue, Chalfont, PA 18914, hereinafter as the "Township Police Department."

WHEREAS, at its regularly scheduled meeting held on June 13, 2023, the District's Board of School Directors unanimously approved an agreement with BusPatrol America, LLC to provide a stop arm signal arm enforcement system on each bus pursuant to 75 Pa.C.S.A. §3345.1(g) for the purpose of enforcing violations of 75 Pa.C.S.A. §3345, which prohibits the driver of a vehicle from meeting or overtaking any school bus stopped on a highway or trafficway flashing its red signal lights. This agreement is referred to hereinafter as the "BusPatrol Agreement"; and

WHEREAS, 75 Pa.C.S.A. §3345.1(h,1) further authorizes the District to enter an intergovernmental agreement with the Township Police Department to enforce violations of 75 Pa.C.S.A. §3345 captured using an automated stop signal arm enforcement system ("the BusPatrol System") through the issuance of a civil penalty; and

WHEREAS, the District and Township Police Department mutually desire to enter into such an intergovernmental agreement pursuant to 75 Pa.C.S.A. §3345.1(h.1).

NOW THEREFORE, intending to be legally bound hereby, the parties agree as follows:

- 1. Authority/Jurisdiction to Enforce Violations
 - A. For any violation of 75 Pa.C.S.A. §3345 captured by the BusPatrol System that occurs within the boundaries of [] Township the [] Police Department shall have primary authority/jurisdiction to enforce the violation and the Pennsylvania State Police shall have secondary authority/jurisdiction.
- 2. Township Police Department

The Township Police Department in enforcing a civil violation of 75 Pa.C.S.A. §3345 captured by the BusPatrol System shall adhere to the requirements of 75 Pa.C.S.A. §3345.1, as well as any other applicable laws or rules of procedure. As part of its responsibilities in enforcing the violation, the Township shall direct its police department to:

- A. Prepare and file the evidence certificate and package identified in 75 Pa.C.S.A. §3345.1(d).
- B. Adhere to 75 Pa.C.S.A. §3345.1(e)2(i), (e)(2)(ii), and (e)(2)(iii) regarding the use and disclosure of information relating to violations.

C. Pursuant to 75 Pa.C.S.A. §3345.1(h.2):

- (i) Review submitted evidence from the manufacturer or vendor of the automated stop signal arm enforcement systema system to determine if there is sufficient evidence that a violation under section 3345 occurred and electronically certify the notice of violation.
- (ii) Provide information to the District related to the police or police department's capacity to view and authorize the notice of violation.
- D. Comply with the "notice of violations, fines, and contests" provisions stated in 75 Pa.C.S.A. §3345.1(i.1) and Section 1.6 of the BusPatrol Agreement.
- E. Appear as needed at all court proceedings held before a Magisterial District Judge or any other court regarding a violation.
- (i) The District agrees to pay in addition to the Required Disbursements in 5.1.1 of the BusPatrol Agreement to the Township Police Department compensation for the attendance of a police officer consistent with the New Britain Township Police Departments Collective Bargaining Agreement for any required appearance to testify regarding the stop-arm violation ticket issued pursuant to this Bus Patrol Agreement.
- (ii) The District recognizes that the New Britain Township Police Departments Collective Bargaining Agreement may stipulate that officers are to be compensated for a minimum pay at their overtime rate for such appearances and the district will compensate the Township accordingly.
- (iii) The Township Police Department agrees not to bill the District for any court costs if the officer was already scheduled for an unrelated appearance. If the Township Police Department incurs additional charges due to the appearance lasting longer that the 2 hour minimum, the Township Police Department will only bill for the overages.
- (iii) Payment as required by this Section shall be made within sixty (60) days of invoice by the Township, which invoice shall show the violation number, date of appearance, and the name of the police officer that attended the Court proceedings.
- F. In the event legislation is adopted by the Commonwealth of Pennsylvania negating the need for a Police Officer to be present at any Court proceedings associated with the stop-arm Bus Patrol Agreement noted above, the requirement that a Township police officer attend hearings shall terminate and there shall be no further obligation on the part of the police department of the above-named municipality to attend any proceedings. Therefore, no additional payments shall be made by the District, except such payments as are identified in the statute, this is a \$25 share of the civil penalty.
- G. Adhere to the provisions in this BusPatrol Agreement that pertain to the responsibilities of law enforcement including, but not limited to, Sections 1.6, 4.1.9, and 5.2.

3. Responsibilities of the District

The District shall work with BusPatrol to meet all requirements imposed on the District and BusPatrol pursuant to 75 Pa.C.S.A. §3345.1. As part of its responsibilities, the District shall:

- A. Coordinate with BusPatrol to provide the Township police department enforcing the violation with written documentation that the side stop signal arm enforcement system was operating correctly at the time of the alleged violation and a copy of any video evidence of the alleged violation.
- B. Pursuant to 75 Pa.C.S.A. §3345.1(h), coordinate with Bus Patrol to provide the following to the law enforcement agency enforcing the violation:
 - (i) A copy of the recorded image showing the vehicle.
 - (ii) The license plate number and state of issuance of the motor vehicle.
 - (iii) The date, time and place of the alleged violation.

4. Criminal Proceedings

75 Pa.C.S.A. §3345.1(c)(3) provides that the vehicle operator shall not be liable for the civil penalty if the operator is also criminally convicted of the same violation under 75 Pa.C.S.A. §3345. Therefore, on behalf of its police department, agrees that a vehicle operator's first offenses for a violation of 75 Pa.C.S.A. §3345 shall be enforced as a civil penalty only pursuant to 75 Pa.C.S.A. §3345.1. Any subsequent offenses by the same operator may, at the Township's police department's discretion, be enforced through a civil penalty or through criminal proceedings. If the enforcement of a civil penalty in lieu of a criminal proceeding is appropriate for the factual circumstances.

5. Term & Termination

The initial term of this Agreement shall be six months from the date of signing by both parties. This Agreement shall automatically be extended for an additional six months at the expiration of this or a future term, unless, thirty (30) days prior to end of the current or future term, either party provides to the other party thirty-days' written notice of its intent to terminate the Agreement.

6. Amendments

This Agreement may be amended, modified, or waived only by written agreement signed by the all of the parties hereto.

Dear School District Superintendent,

I am pleased to inform you that Pennsylvania state lawmakers recently enacted SB 851, an amendment that will strengthen the state's school bus stop-arm camera safety program. The bill, which was signed into law last week by the Governor, enhances protections for state and local law enforcement agencies that review school bus stop-arm camera violations.

The amendment also centralizes and streamlines the school bus stop arm camera program adjudication process through the Pennsylvania Department of Transportation (PennDOT). Residents may now request an administrative hearing with PennDOT upon receiving a notice of violation in the mail. A hearing is conducted by a PennDOT-designated hearing officer either in person or via online video conference. Individuals requesting a PennDOT hearing are no longer required to pay a filing fee to contest a citation.

This new PennDOT-led administrative proceeding aligns with the adjudication processes already in place for other photo enforcement programs in Pennsylvania. While residents retain the ability to appeal a PennDOT hearing decision in local magisterial district court, SB 851 affirmatively limits judges to only determine liability for illegally passing a school bus. Magisterial judges are <u>not permitted</u> to impose monetary penalties or damages on other entities, such as a police officer or school districts.

BusPatrol, as the system administrator outlined in SB 851, is already coordinating with PennDOT to ensure a smooth transition to this new adjudication process. It is our understanding that similar PennDOT-led photo enforcement hearing processes do not require law enforcement agency attendance. Overall, the school bus stop arm camera law is in a much better place than earlier this year – we thank you for your support and advocacy leading to this positive result.

On a personal note, as the newly appointed President of BusPatrol, I come from a law enforcement background having served many years as a Police Commissioner, in a District Attorney's office, and as the Chief of Operations for Public Safety in the City of New York. I understand firsthand the challenges the previous Pennsylvania state law created, and I am excited by the opportunity this newly enacted legislation presents. It would be my great honor to meet with you in the coming days to discuss how we can work together to create safer roads for students and drivers alike across Pennsylvania. If you have any further questions, please don't hesitate to reach me by cell at 929-270-8875, by email at justin@buspatrol.com, or contact your local designated BusPatrol representative.

Sincerely,

Justin Meyers President BusPatrol America
