

# PROTECT OUR WATERWAYS- REPORT STORMWATER POLLUTION!

Storm drains flow directly to  
rivers, lakes, and oceans.

Anything that goes into a storm drain can harm our  
water quality, wildlife, and community health.

## Examples of Stormwater Pollution

Dumping paint,  
oil, or chemicals

Litter  
and trash

Grass clippings  
and yard waste

Soap and  
wastewater from  
washing cars

💧 **See stormwater pollution?  
Report it immediately!**

☎ **Call:** 215-822-1391 | [toll-free 1-800-452-7273](tel:215-822-1391)

🌐 **Online:** [www.newbritaintownship.org](http://www.newbritaintownship.org)

Together, we can keep our  
waterways clean and safe for everyone.
