The Zoning Hearing Board functions are as follows:

To hear and decide appeals from a decision or determination of any administrative official in the enforcement of the Zoning Ordinance and its amendments. Such appeals must be made within 30 days after the date of the decision.

To hear and decide Special Exceptions to the terms of the Zoning Ordinance and its amendments as specifically set forth and permitted by the ordinance(s).

To authorize, upon application/appeal, in specific cases, such variance from the terms of the Zoning Ordinance and its amendments, as will not be contrary to the public interest where, owing to special conditions, a literal enforcement of the Zoning Ordinance will result in unnecessary hardship and so that the spirit of the Ordinance will be observed and substantial justice done. The burden of proof of the "unnecessary hardship" as defined by the courts shall rest on the applicant. The circumstances must be unique and applicable to the applicant's particular property and no other. The possibility of the applicant's earning a greater financial return if a variance were granted does not in itself constitute sufficient reason for such a variance.
